Available for all single-phase customers served through one meter and subject to the policies, rules and regulations of the Cooperative.

Type of Service

Single phase, 60 cycle, at available secondary voltages

Monthly Rate

- Service Charge \$28.00
- Facility Charge \$1 .00 per kVA of required transformer capacity in excess of 25 kVA
- All kWhs per Month \$.105
- Plus applicable sales tax as appropriate

Minimum Monthly Charge

The minimum monthly charge under the above rate shall be \$28 per month. The minimum applies 12 months per year even when disconnected. When service is reconnected a bill will be rendered for months not billed. This applies to service disconnected for up to one year. If meter is removed, continued maintenance of electric service and/or billing under Policy 7.06, Idle Services may apply.

Power Cost Adjustment (PCA)

If the rate under which the Cooperative purchases power at wholesale is adjusted in accordance with provisions in the wholesale contract, a PCA may be added to the monthly bill under Board Policy No. 7.01(D).

Taxes

Any taxes, based on revenue from the sale of electric energy which the Cooperative is required to collect, will be itemized on the bills and are subject to the same terms of payment as are the energy charges.

Terms of Payment

Bills shall be mailed to members during the first week of each month and are due on the 20th day of the same month. If payment is not made on or before the due date printed on the statement a 1_% late payment charge may be assessed on the unpaid balance.
